Sir.

Sub: Establishment - Industries - Silk Filature Factory at Kollegal - Building works and machinery - Temporary Accountant - Employment.

Ref: G.O.No.Ms.637-M Development dated the 17th December 1942.

In the Government Order quoted above, sanction was accorded to the employment in the office of the Director of Industries and Commerce, temporarily for a period of 3 months from the date of appointment of one Accountant on Rs.70-100 per mensem for work connected with the maintenance of accounts relating to the construction of buildings and equipment of the Silk Filature Factory at Kollegal.

The Accountant was originally intended to work at Madras under the Industrial Engineer who has to maintain and submit accounts monthly as a Public Works Disburser. The Government are aware that Sri S.Gopala Ayyar, the

P.T.O.

officiating Industrial Engineer, has since been deputed to Kollegal to be solely in charge of the construction of the Factory and erection of machinery. Consequently the Accountan also has to be stationed at Kollegal. I request, therefore, that Government may be pleased to permit the employment of the Accountant sanctioned, at Kollegal, under the Industrial Engineer on Special duty.

2. Sri S.Rajaratnam Pillai, a permanent clerk on Rs.35-60 of this department has been temporarily appointed to the post sanctioned in the G.O. cited for duty under the Special Industrial Engineer, Kollegal as he is suitable for the post. Since the clerk is not eligible to draw the minimum pay of the post of Accountant viz.Rs.70/- under the existing rules unless the post is declared as one in respect of which officiating allowance is admissible under F.R.30, I request that Government may be pleased to issue orders to the effect that officiating allowance is admissible on promotion to the post of Accountant sanctioned for work connected with the maintenance of accounts relating to the construction of Buildings and equipment of the Silk Filature Factory at Kollegal from the post of clerks on Rs.30-55 or Rs.55-70 as the case may be. The order may be deemed to take effect from the date of appointment of the clerk as Accountant. He joined duty on 9th January 1943.

Sir,

Sub.:- Establishment - Industries - Silk Filature Factory at Kollegal - Temporary Accountant -

Ref.:- Government Memorandum No. 1090-D/43-1 dated 27th January 1943.

Sri S. Rajaratnam Pillai who has been temporarily appointed as Accountant for maintaining the accounts relating to the construction of the Government Silk Filatures, Kollegal, possesses the necessary experience for maintaining P.W. accounts. Besides maintaining accounts, he attends to the correspondence of the Special Engineer which is growing every day.

Sri S. Rajaratnam Pillai was drawing at the time of posting to Kollegal Rs. 62 as pay in the grade of Rs. 40-65. His transfer to Kollegal has meant an increase in pay of Rs. 8/-. which is hardly an adequate compensation

for moving up from Madras to the distant village of Kollegal.

In the circumstances, I suggest that the order appointing Sri S. Rajaratnam Pillai as Accountant on Rs. 70-100 be allowed to stand and he be permitted to draw Rs.70/- in the above scale with effect from 9th January 1943.
